Team Reps,

Attached is the 2022 Fall Eligibility Form and detailed instructions. **Handwritten forms** will not be accepted

- Eligibility Form AND Signature Sheet are Due by October 31, but it is strongly recommended to have it completed before your First Game
- Any teams using ineligible players at any time will be subject to possible fines, suspensions and game forfeitures.
- If you have any questions on player eligibility, please contact me before that player plays in a game.
- Forms are to be mailed via USPS or UPS/FED-EX. You can ALSO email to the addresses listed on the form (hard copy still needs to be mailed)

**Instructions:****Signature Sheet**

1. **Type** in players first and last names, ID#, and place a Yes or No in the semesters played boxes
2. Print form
3. Have players sign the form
4. Make a couple of copies of the finished form for yourself. You can reuse this for the winter/spring semester, just add any new players later at the bottom.
5. Give to registrar to mail with completed eligibility form.

**Eligibility Form**

1. This form should be **TYPED** out (not hand-written) and emailed to your registrar so that they may type in the correct information.
2. Fill in number of years played (should be 0, 1, 2, 3, or 4).
3. Fill in School Name and information at the top left of the form
- 4.. Have the registrar print out the completed form, affix the university seal, and mail one (1) copy to the specified address, along with a copy of the signature sheet.

**ALLOW 3-5 BUSINESS DAYS FOR PROPER PROCESSING OF THE FORM.** Don't expect a ruling if we receive the form at 5 pm on the day of your first game.

Contact me if you have any questions.
